

AKSUM[®]

Aksum Armored is the armored vehicles division of Aksum Group in UAE, specializing in the provision of tactical, commercial, and special purpose vehicles. Renowned for its cutting-edge technology and superior craftsmanship, Aksum Armored delivers solutions that meet the highest standards of safety and performance. Aksum Group, a diversified conglomerate, also includes Aksum Marine, Aksum Industries, Aksum Glass, and Aksum VPK, each contributing to the group's reputation for excellence and innovation across various sectors.

About Us

Established production in 2020 in Uzbekistan with a new factory launched in UAE in 2024, AKSUM® ARMORED VEHICLES contributes over 2 decades of collective experience delivering high-quality, dependable and premium armored vehicles, whilst complying with the most demanding international standards. As a company we are committed to making the world a safer place by combining world-class engineering with superior materials and unparalleled expertise to provide our valued customers with safe and luxurious vehicles internationally.

Our Commitment

AKSUM® ARMORED VEHICLES shoulders responsibility to ensure security and protection for end-users. With years of experience in the industry, and with our enthusiasm, work ethic and paramount know-how, we are dedicated to delivering peerless solutions.

Our Mission

To transform an alarming present into a secure future by introducing best practices in technological innovation within the defence industry. We enable protection.

Our Facilities

AKSUM® ARMORED VEHICLES is committed to delivering innovative armored vehicles through our state-of-the-art production facilities located in the UAE and Uzbekistan. With a combined area exceeding 500,000 sq.ft., our production facilities are optimized to produce and deliver bespoke armored vehicles that meet the evolving demands of our clients.

Our facilities include:

- Main-Assembly and Sub-Assembly Welding Shops
- Dedicated Laser-Cutting and Bending Bays
- Fully Equipped Paint Shops
- Logistics Management Offices
- Sales & Marketing Offices

Strict quality control procedures guarantee that all vehicles undergo rigorous testing before shipping, ensuring exceptional quality and reliability throughout our production process.

“

CEO's Message

Safety is not a privilege or a dream, It's a human right.

On behalf of AKSUM® ARMORED VEHICLES, I promise to always put human right for safety above business structure. Your safety is our priority.

Faithfully yours,
Ulugbekhon Maksumov

”

Technology & Innovation

360° CABIN PROTECTION

The entire passenger cabin, roof and floor of the vehicle are protected from ballistic fire and blasts to ensure the safety of all passengers.

HEAVY DUTY RUN FLAT TYRE SYSTEM

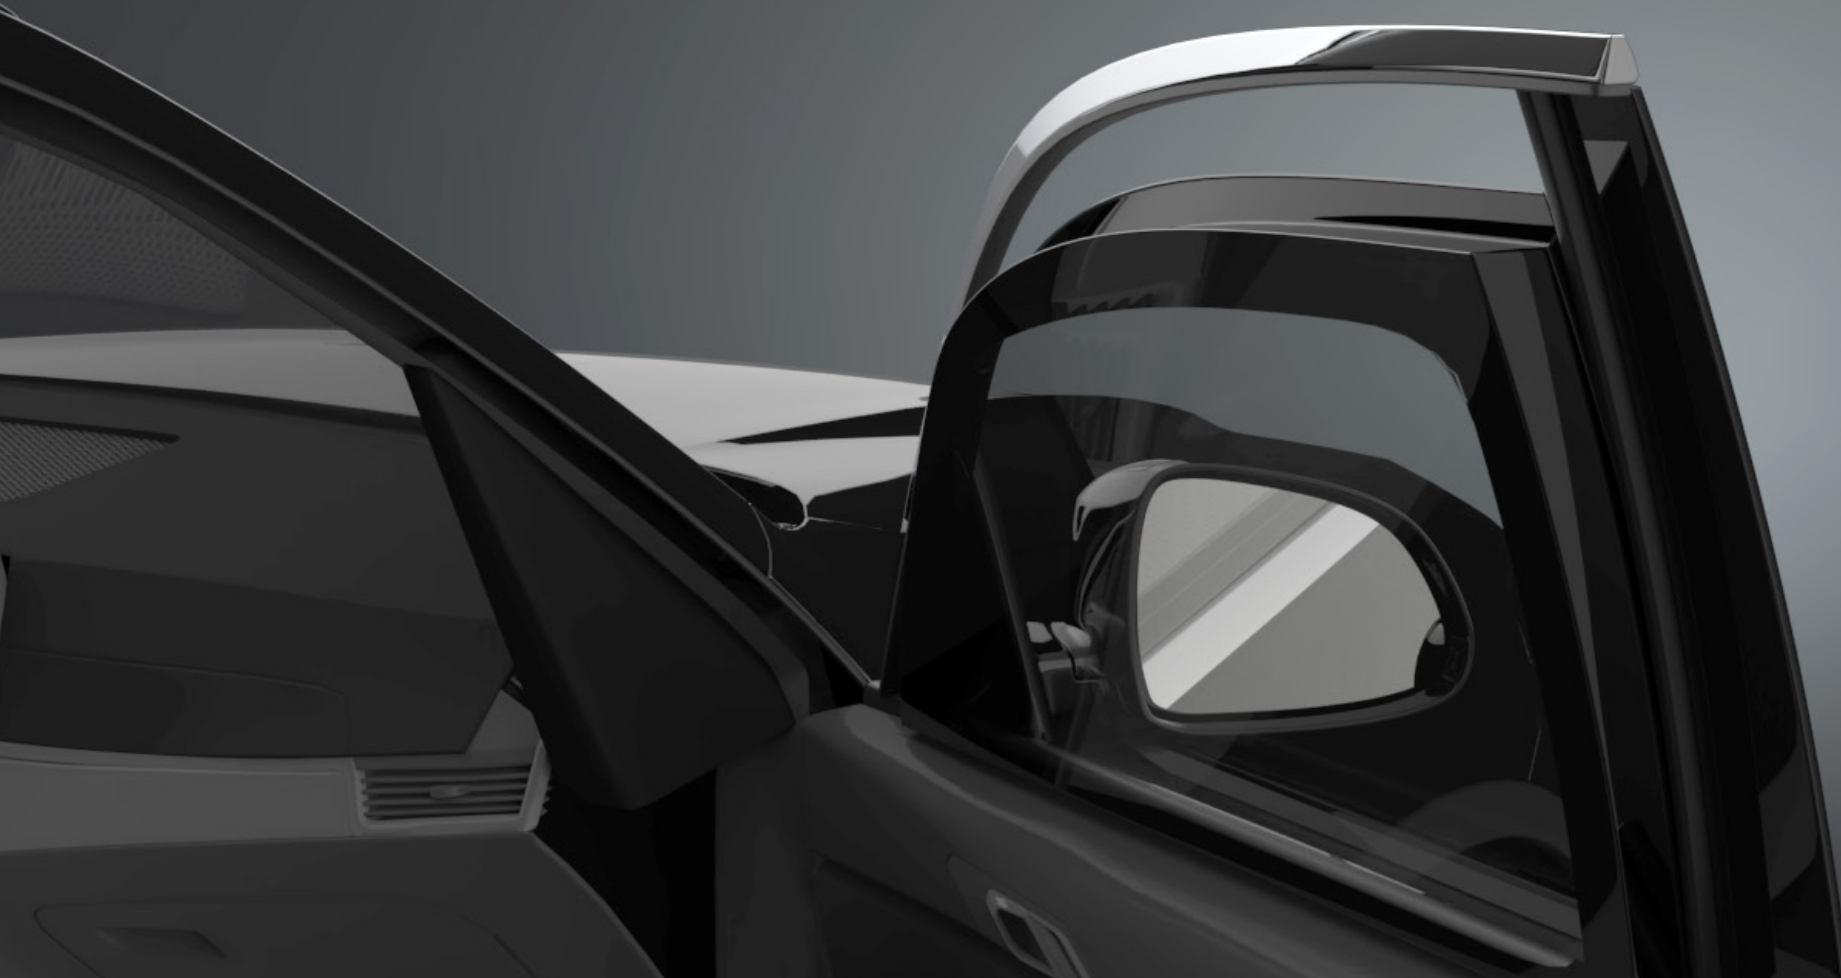

Solid polycarbonate inserts reinforce the structure of the rims in order to enable continued vehicle operation and driving stability in the event when tires are punctured.

Technology & Innovation

BALLISTIC GLASS

Premium ballistic glass contributes to 360° protection, preserves visibility, and mimics the original equipment manufacturer's curvature to offer armor that is virtually indistinguishable from the standard model.

SUSPENSION

Our suspension system delivers superior handling and control, providing enhanced traction, reduced tire wear and comfort for a smoother driving experience.

FUEL TANK PROTECTION

Our vehicle's fuel tank is encased in a robust armored casing, providing unparalleled protection which safeguards the fuel tank from penetration, eliminating the risk of leakage and mitigating the potential for fire or explosion in the most demanding and hazardous environments.

BRAKES SYSTEM

Our upgraded brake kit consists of advanced front and rear calipers, discs, bracket kits and brake pads. It offers reduced stopping distances and improved stability even under extreme braking conditions
